

Reference list - Human 2.0 - Dr. Carrie Madej sounds the alarm about the new biotechnology in the Covid-19 vaccines & other technologies

How this works

This reference list supports the documentary '*Human 2.0*' - *Dr. Carrie Madej raises the alarm about the new biotechnology in Covid-19 vaccines & other technologies.*' An overview of the different parts of the documentary can be found in the table of contents. If you go to your page of interest, you will find numbers in brackets. These numbers refer to the references in the reference list that you will find on pages 5 to 22.
